Christ wants us to live with confidence! What is confidence—the state of being certain about the truth of something, the feeling or belief that one can rely on someone or something; firm trust.

Confidence comes from knowing the credibility and commitment of the person we trust. *Hebrews 13:5-6,8*

The more confident you are in Christ the more free you are to live vibrantly for Christ. *John 8:31-32; Psalm 27:1-3,13; Psalm 57:7*

Confident Christians

1. Worship freely
2. Walk securely
3. Love genuinely
4. Work diligently
5. Share generously
6. Rest deeply
7. Risk boldly

Acts 2:36; Acts 1:1-8; 1 Corinthians 15:1,3-7

Peter and Paul were absolutely confident in who Jesus Christ was, what He had done and the trustworthiness of His character and promises. Are you? *Romans 5:2; Romans 15:13; Hebrews 10:35*

Jesus wants us to live with confidence in His divine involvement in our daily lives. He can still do extraordinary things as we invite Him to do our ordinary life with us. *John 2:1-12*

Jesus wants to also be involved in our problems so He can show His faithfulness to us and build our confidence in Him.

John 4:46-54

The father's faith went from crisis faith to confident faith to confirmed faith to contagious faith. Yours can too!
