### Discussion Questions:

1. What does the idea of Holiness mean to you? Share your thoughts about God's holiness, and then share thoughts about our holiness. How are we truly "set apart" for God?
2. Can you reconcile in your heart that "God is Love", and yet live in a world where He allows pain, suffering, injustice and death? How?
3. How does having an "eternal perspective" influence our view of pain, suffering, injustice and death on this earth?
4. How are you with Jumping in and trusting God's wisdom, goodness, justice and love even when life is painful and unjust? Are you "all in" with Him being God?
